

KAUSHAL DIWAKAR

Lead Video Editor • Senior AI Video Editor • Motion Graphics Designer

Gurgaon, Haryana, India | Kaushaldiwa39@gmail.com | +91 9773579254 | behance.net/Unknownartist03

PROFESSIONAL SUMMARY

High-impact **Lead Video Editor & Senior AI Video Specialist** with 4+ years of end-to-end post-production, motion design, and creative direction experience across national and international brand campaigns. Currently directing an editing team of 5, holding complete technical sign-off, and engineering hybrid AI-NLE pipelines that cut turnaround cycles by **40%** while boosting viewer retention and visual consistency. Deep production expertise combining **Adobe Creative Cloud** (Premiere Pro, After Effects, Photoshop) with cutting-edge generative video and audio models (Seedance 2.0, Kling, RunwayML, ElevenLabs, HeyGen).

WORK EXPERIENCE

Senior AI Video Specialist & Team Lead — TrueFan.AI

May 2026 – Present | Gurgaon, India

- Team Leadership & Sign-Off:** Manage and mentor a 5-person video editing team; assign creative briefs, conduct daily cut reviews, and maintain final quality sign-off on deliverables for tier-1 national and international brands.
- AI Pipeline Engineering:** Architected proprietary AI-augmented video pipelines integrating **Seedance 2.0, Kling, RunwayML, HeyGen, and ElevenLabs**, accelerating production turnaround by **40%** while preserving cinematic consistency.
- Performance Marketing Direction:** Direct motion design and pacing for high-converting video advertisements across Meta, YouTube, and Instagram, optimizing hook retention and click-through rates (CTR).
- Stakeholder Collaboration:** Partner directly with brand directors and marketing heads from concept ideation to master cut delivery, aligning narrative storytelling with commercial growth objectives.

Executive Video Editor — EXLY (IT & Marketing Solutions)

Apr 2025 – Apr 2026 | New Delhi, India

- Creator & Brand Content:** Edited 80+ short-form and long-form video assets for prominent YouTube and Instagram creators, driving multi-million cross-platform impressions.
- Automated Workflows:** Spearheaded script-to-video AI pipelines and automated transcription/captioning systems, tripling weekly content throughput without expanding operational headcount.
- Growth Creatives:** Designed, tested, and iterated dynamic static and video ad variants across Meta Ads Manager, lifting average ROAS through rapid creative testing.
- Toolchain Integration:** Embedded RunwayML, Pika Labs, and ElevenLabs into standard NLE workflows to condense the concept-to-rough-cut phase from days to hours.

Executive Video Editor & Graphic Designer — V2Infotech Agency

Jul 2024 – Apr 2025 | Noida, India

- Campaign Post-Production:** Delivered 50+ commercial promotions and high-energy ad campaigns across D2C, tech, and retail sectors, strictly adhering to tight launch schedules.
- Color & Visual Enhancement:** Integrated AI-driven color grading, scene relighting, and rotoscoping workflows in After Effects to achieve uniform brand aesthetic standards across mixed-source footage.

Executive Video Editor & Graphic Designer — MyCareerPathshala

Nov 2023 – Jun 2024 | Delhi, India

- Educational Media Production:** Produced comprehensive visual modules for 15+ online courses and social channels, elevating student engagement and lesson completion metrics.
- Speech & Caption Optimization:** Implemented AI-driven speech transcription and subtitle generation, standardizing content accessibility across the video knowledge repository.

Freelance Video Editor & Motion Designer — Self-Employed

Nov 2022 – Nov 2023 | Remote

- End-to-End Client Execution:** Handled end-to-end post-production for 30+ international and domestic clients, producing high-impact brand teasers, event recaps, and viral Reels/Shorts.
